

# LEARNING AREAS

Tawney Hager

# Entry way and hand-washing station

# Lecture and small group area

# Full room view

# Technology and quiet nook

Dramatic play, reading nook, sensory station, and large group area

# Learning areas

- This classroom incorporates flex seating throughout the space
- A full wall white board will be used to keep students interacted and hands on throughout the lessons
- A chalkboard wall will be used to write one daily positive from each student
- The entry way has light colors and double doors to make the space feel more home-like
- 6 foot windows allow for lots of natural light throughout the space
- The window in the chalk wall allows for more light to flow from the back of the room
