-

EXPERIENCE

MREC-ESP

2017-Present

I started as a youth leader at Dorothy Moses Elementary. Here I taught MindWorks Curriculum to Kindergarten and First grade. I assisted in STEM based learning and PBL. In December of 2018 I was promoted to Site Coordinator at Mary Stark. In this position I am the coordinator of the after school program and work closely with the principal and classroom teachers to assist in meeting the needs of the students who attend.

NOAH'S ARK DAYCARE AND PRESCHOOL

2018-Present

I work as a childcare provider in the 3 year old room. I assist with helping children with activities such as: fine motor, gross motor, and learning activities. I assist in assuring children are in a safe environment during play time.

SANFORD MANDAN NORTH CLINIC

2015-2017

I started as a Certified Nurse's Assistant with Sanford Health. My job duties included: rooming patients, taking vitals, assisting with procedures, and helping with the cleaning and stocking of rooms.

DISCOVERY CHILDCARE

2012-2015

I started as a childcare provider in the 4-5 year old room. Primary responsibility was to lead students through learning activities and guided play time. After one year of employment I was promoted to supervisor/co-director and worked side by side with the director to assist in running the daycare effectively. I worked in the infant room where I assisted in basic needs of infants.

EDUCATION

HIGH SCHOOL DIPLOMA-2013

Bismarck High School-Bismarck, ND

Graduated with a 3.5 GPA, National Honor Society (2010-2013), National Technical Honor Society (2010-2013).

BACHELORS DEGREE IN EARLY CHILDHOOD EDUCATION, BACHELORS DEGREE IN ELEMENTARY EDUCATION (PENDING)-2019

University of Mary-Bismarck, ND

Dean's List (2017-2019)

VOLUNTEER EXPERIENCE OR LEADERSHIP

Tutoring-2019

I tutor a high school student 3-4 times per week in all subject areas.

Assist in 3rd Grade Classroom

I volunteer 2 times per week in the third grade classrooms at Mary Stark.

BECEP Family Night

In one of my courses, I collaborated with my peers to plan an activity for a family night at BECEP. I created a fine motor activity in which students used kitchen tongs to pick up large Lego blocks and carry them to a bucket. Through this opportunity, I was able to serve families with young children and provide them with a positive, educational weeknight activity.

University of Mary Day of Service 2017

Day of Service 2017 I volunteered at Touchmark in the morning where we assisted the residents in activities such as: current events and bingo.

In the afternoon I volunteered at Triple H mini horse rescue where we cleaned and painted many of the stalls for the horses. We also picked up garbage around the facility.

Ruth Meier's Hospitality

One time per month I assist with an event they put on for the community schools.
